

Why? Choose SAS?

Saraswati Aanchal School has always been students-friendly. It welcomes us with both arms and made us feel that this is our second home. It is not the building or the infrastructure that makes this school dear to us. There is something beyond the physical. SAS focuses on developing student's knowledge & skills through an amazing curriculum.

Saraswati Aanchal School, Chhawla is alternatively also known as SAS. The School was established in 2000. In this era of cut throat competition, it is of paramount importance to impart an integrated education to the future citizens of the Nation for successfully facing multitasking. We are committed towards imparting disciplined and quality education. We believe that students, parents and teachers all play a vital role in helping students reach their greatest potential. School is a place where children are encouraged to say "I see it, I get it, I can do it." We are determined to make our school excellent performers with at most self-confidence and practical wisdom so as to be successful in whatever field of activities they get involved after acquiring knowledge and competence at Saraswati Aanchal School Chhawla.
